NOTICE OF EVENING PRESENTATION – FEBRUARY 15, 2012

TOPIC:

BCHydro SITE-C Clean Energy Project

Presenter: **Susan Yurkovich BA MBA**

BC Hydro's Site C Clean Energy Project is a proposed third dam and hydroelectric generating station on the Peace River in northeast B.C. The presentation will discuss the province's growing demand for energy and how BC Hydro is planning now to meet B.C.'s electricity needs in the future. The presentation will also provide an overview of Site C engineering, including upgrades to the historic project design from the early 1980s that were required to meet current seismic, safety and environmental guidelines.

About the Speaker.....

Susan Yurkovich

Executive Vice President, Site C Clean Energy Project

Susan Yurkovich is Executive Vice President responsible for the Site C Clean Energy Project. She joined the company in June 2006 as the Senior Vice President, Corporate Affairs and was also responsible for BC Hydro's 2010 Olympic and Paralympic Winter Games operations.

Prior to joining BC Hydro, she spent 10 years at Canfor Corporation, Canada's largest lumber producer, where she was Vice-President, Corporate Affairs. In addition, she spent several years in Ottawa working as an advisor to the Federal Minister of Indian Affairs and Northern Development and the Minister of National Defense.

Born and raised in British Columbia, Ms. Yurkovich holds both a Bachelor of Arts and Masters of Business Administration from the University of British Columbia and a Diploma in International Business from Erasmus University, Netherlands.

She is currently a Governor of the University of British Columbia, Director of the VGH & UBC Hospital Foundation, Director of the Pharmasave National Board and member of the Business Laureates of BC Hall of Fame Cabinet.
